Dear Parent/Carer

The Rare River Nar trip

In Hickling this half term we will be studying the rare river Nar. We will gain an understanding of the physical and geological features of the river and explore how the surrounding settlements developed over time. To ignite the children's enthusiasm for the topic we will begin our half term's study with a field trip to the river and the historical settlement that has developed at the village of Castle Acre.

We hope that on the trip the children can develop their geographical field skills through the creation of sketch maps, the use of photography and researching, measuring and surveying the river and local wildlife. We will spend part of the afternoon exploring the 11th Century priory at Castle Acre and learn how the River Nar affected the development of this settlement.

We will spend the afternoon of **Thursday 5th September** exploring the river. The children will have their lunch at school as normal. We will travel to Castle Acre by minibus for our activities before returning back to school for normal home time at 3.15pm.

To explore the river bank the children will be required to bring with them:

- suitable footwear, (walking boots or wellington boots),
- a rain coat,
- a water bottle
- any medication they may need.

In order to cover the cost of the trips we would request a small donation of £2.00.

Yours sincerely,

Mr. Fiddy and Mr. Whitty
